

# The Summit Scholarship

## Sponsored by the American Gelbvieh Foundation

### Application Guidelines and Rules

The American Gelbvieh Junior Association (AGJA) is excited to be teaming up with the American Junior Simmental Association and the American Junior Shorthorn Association to host The Summit. The conference will be held in Phoenix, AZ. The American Gelbvieh Foundation (AGF) has been gracious enough to support the conference by offering two scholarships.

#### **Scholarships Available:**

The Summit scholarships are designed to cover the Early Bird registration fee to attend the conference. The scholarship will be set up as a reimbursement for the registration fee. The scholarship recipient will receive reimbursement by August 31, 2023. The AGF scholarship committee will evaluate all applications.

One \$500 Scholarship (AGJA member)

One \$500 Scholarship (Non-AGJA member or other Summit affiliated breed associations.)

#### **Qualifications:**

Applicants must be registered for The Summit by April 1, 2023 and are required to be between the ages of 14-22. Any youth interested in learning more about the beef industry is welcomed to apply. Applicants are not required to be associated with or a member of the AGJA. In fact, the AGF is tailoring one scholarship to youth outside of the organization.

#### **Instructions for Completing the Application**

**Cover Page:** List your name, hometown, state, along with your age.

**Section Two:** Please complete page two of this document, which is the application. (The application may be reproduced on your computer. Typewritten applications are preferred over handwritten).

**Section Six:** If you are chosen to receive a scholarship, you will be required to submit an essay (400-750 words) summarizing your experiences at the Summit and what you have learned during the conference.
